HOT TOPIC ARTICLE

Following the release of 2003 SSCI rankings, we are pleased to say that [British Educational Research Journal](#) has risen from 23rd to 18th in the education category.

In the current volume of the journal, the most popular article has been 'Pupils' views on inclusion: moderate learning difficulties and bullying in mainstream and special schools', by Brahm Norwich and Narcie Kelly, Volume 30, Number 1.

This article can now be viewed online at:

http://www.educationarena.com/educationarena/sample/res_samples.htm

SPECIAL OFFERS

We are delighted to announce an introductory offer to individual subscribers on a selection of our Comparative and International Education journals.

For further information follow this [link](#)

CONFERENCES

We are pleased to announce our annual attendance at the British Educational Research Association Annual Conference in Manchester, where our journals and books will be exhibited between 14th September and 18th September. Join us for good conversation and a glass of wine at our Reception on Thursday 16th September.

In addition, please find listings of future Education conferences we will be attending at:

<http://www.educationarena.com/educationarena/conferences.html>

T & F ONLINE

In each issue of the Bulletin we will be providing helpful advice on how to make the most of our online publishing services from the Education Arena. This month you can find out how to register for the Scholarly Articles Research Alert (SARA), the email alerting system that delivers the tables of contents

for our journals pre-publication.

For details visit [SARA](#)

FEEDBACK

We welcome your input into what you would like to see in future issues of this bulletin. If you have any suggestions, please contact:
