NEWS

Routledge is pleased to announce that it has become the official publisher for **Education 3-13**, journal of the **Association for Study of Primary Education (ASPE)**. Education 3-13 is edited by Mark Brundrett, University of Manchester, UK. The journal aims to publish refereed articles representing and underlying practice, research and theory which are of relevance to those working with children between the age of 3-13, both in the UK and internationally.

For information on Education 3-13, please visit our [New Journals page](#) where information will be available shortly.

Merger for 2006

[Learning, Media and Technology](#) incorporating **Education, Communication & Information (ECi)**. As of volume 31, 2006, *Learning, Media & Technology* will merge with *Education Communication & Information (ECi)*. The merged journal will be published under the name **Learning, Media and Technology incorporating Education, Communication & Information (ECi)** and will increase to 4 issues per year.

[London Review of Education](#) - new editorship for 2006

We are pleased to announce that, with effect from Volume 4, 2006, **London Review of Education (LRE)** will be edited by Professor Ron Barnett, of the Institute of Education, University of London. The journal will also feature a Book Reviews section, under the editorship of Dr Ann Hodgson, Institute of Education, University of London.

[International Journal of Science Education](#) - new regional editors in 2006

We are happy to welcome: Norman Lederman, Illinois Institute of Technology, Chicago, USA; **Rosaria Justi**, University of Minas Gerais, Brazil & **Justin Dillon**, King's College London, UK, as Editors for the International Journal of Science Education from January 2006.

It is now possible to submit your paper(s) to [International Journal of Science Education](#) via the new on-line submission and peer-reviewed system - **Scholar One's Manuscript Central**.

Manuscript Central is the publishing industry's number one on-line tool for managing manuscripts through the scholarly journal peer review process. Routledge is proud to announce that it can now offer the service to [International Journal of Science Education](#) authors.

To explore this new service, visit <http://mc.manuscriptcentral.com/ijse> and follow the simple instructions.

Amongst our publications new for December 2005, is the book:

Development and the Education of the Mind.

The Selected Works of **Howard Gardner**
World Library of Educationalists Series

Gardner introduces a collection of his key writings from the last thirty years predominantly on the theory of multiple intelligences-and demonstrates how broad psychological perspectives can bring

insight to the process of education.
